Report of Principal and School Improvement Council

Northside Elementary continues to work with all of our students, parents and stakeholders to provide the best education possible for all of our students, allowing them to experience success. Our school earned an 82.3% rating on the report card which gives us a B for our test scores and growth. We continue to work with our disabled population and our free and reduced population to increase their overall growth in math and ela. We continued to provide the Inclusion Model for our students with disabilities in grades three through five. These students are challenged with grade level expectations to meet grade level standards. We continue to see growth for these students in their MAP scores.

Technology continues to be an important initiative and challenge for us to keep our students on the cutting edge. We are working toward adding more hands on technology for our students in their classrooms. In addition to SMART Boards in all classrooms and Senteos, hand held response devices, our goal is to add tablets for our students.

This year we had a full time reading interventionist who worked with our at risk students in all grades, focusing on first and second graders. Students who needed math intervention were served in our computer lab. Our teachers used differentiated instruction with flexible, small groups to meet students' needs in the classroom. In addition, students used math and science manipulatives to provide hands-on learning. Students also utilized the science lab for explorations.

Northside was fortunate to have the services of a full time coach/instructional facilitator, who provided support and on-site professional development for our staff. Our coach also managed and distributed our teaching resources and provided assessments for progress monitoring. Our faculty and staff participated in professional development through collegial study in professional learning communities. This staff development helped to keep our staff abreast of current research and Best Practices. New practices were implemented in classrooms as a result of these studies.

We celebrated our students' progress and successes through school-wide displays, monthly recognition, data walls and special programs and recognition ceremonies. PBIS continued to be an important part of our daily and monthly efforts. Students were given incentives and earned rewards for their positive behavior throughout the school year. We held a special PASS Recognition Ceremony during one of our PTO programs. Perfect Attendance and Honor Roll were celebrated monthly and at PTO meetings. The driving force in all we do is to motivate our students and provide them with an atmosphere of high expectations and excellence where they can achieve their goals.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	57.8
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Northside Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☐ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☒ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
